

Rolling Hills Elementary School ~ 15255 Penasquitos Drive ~ San Diego, California 92129

August 2018

Greetings,

I am writing on behalf of the Rolling Hills Elementary Foundation. We are a volunteer parent organization at Rolling Hills Elementary School, located in the Penasquitos Glen neighborhood of Rancho Penasquitos.

As detailed in the enclosed letter, we are spending nearly \$83,000 this school year to augment the educational experience and needs of our children. As the 2018-2019 school year begins, we are holding our annual Puma Pledge fundraising campaign and we would love to partner up with you! We are also continuing to offer various levels of **sponsorship opportunities to community businesses** through the Puma Pledge campaign.

If you choose to make a donation to the Rolling Hills Elementary Foundation, we have excellent advertising opportunities for you to advertise and grow your own business as you become a Puma Pledge Sponsor! Here is why:

- **Growing with young families:** A few short years ago, there were only two classes of children per grade level at RHES. But now, we have grown to having three classes per grade level!
- **Exposure to additional families:** Our campus also hosts **2 preschool classes**, as well as the **PEARL Center**, the childcare center for all Poway Unified School District employees.
- **Location:** Our campus is conveniently located adjacent to the popular **Rolling Hills Neighborhood Park!**

We ask that you carefully review the enclosed letter. We truly appreciate your consideration of the Puma Pledge. If you would like to participate, please contact Foundation Vice President, Karrie Campos, at rhfoundationvp@gmail.com. We can discuss sponsorship levels, as well as convenient payment options of both check and PayPal. Donations of any size are welcome!

I look forward to hearing from you, and our Rolling Hills students and staff thank you for your support!
