

Rolling Hills Foundation & The Literacy Garden

BRICK FUNDRAISER

Leave a legacy in our Literacy Garden

The Literacy Garden provides a quiet learning environment and a place where our children can have hands-on experience in an active and productive fruit and vegetable garden. The personalized, engraved bricks will pave the walkway through the garden for generations of students.

All proceeds from your brick purchase will remain within Rolling Hills Elementary and support the ongoing maintenance of The Literacy Garden.

CREATE YOUR OWN BRICK
