

Dear Rolling Hills Families,

The Rolling Hills Elementary School (RHES) Foundation would like to welcome back all returning families, and extend a warm welcome to all new families. We are thrilled you could join us to learn more about your child's 2021-2022 school year ahead.

The Foundation is looking forward to providing another year of educational and enrichment curriculum for your children in the areas of Science, Music, Art, Physical Education, and Technology (SMART). We know that COVID-19 has impacted us all, but we hope that together with our wonderful RHES community, and some safety precautions, we can return to a new normal this school year! We have already been busy planning educational STEM assemblies for the kids, starting out with a "Mad Science" assembly on September 15th. We are planning several fun events throughout the year including Pumpkin Palooza, a Winter Holiday Event, Talent Show, Science Fair, and our annual Fun Run. Please join us!

There are many ways parents and families can get connected and remain informed about the Foundation's educational programs, events, and volunteer opportunities. Please visit our Foundation website, Facebook page, or attend one of our monthly Foundation meetings (currently held via Zoom). We look forward to another great year with all of you!

About Us

The Foundation is the **ONLY** parent organization at Rolling Hills Elementary. We are dedicated to providing funding for SMART programs that were lost due to significant state and district budget cuts. The Foundation financially supports the school's music program, PE program, instructional assistants, assemblies, and a lot more! The Rolling Hills Foundation is a tax-exempt, nonprofit, 501(c)(3) organization.

Puma Pledge

Parent donations are the quickest and easiest way to help the Foundation reach our annual fundraising goal for SMART programs. Your donations are 100% tax deductible, and 100% of your donation goes directly to the school!
